Kidney Tray, Stainless Steel

Model: HH-7

Categories: Medical Equipment, Stainless Steel Hospital Hollowware

Summary

Kidney Tray, Stainless Steel is a durable and hygienic medical tool designed for use in hospitals, clinics, and medical facilities. Made from high-grade stainless steel, this tray is corrosion-resistant, easy to clean, and maintains its shine even after repeated use. Its ergonomic shape and smooth edges ensure patient comfort and ease of handling for medical professionals. Ideal for holding surgical instruments, specimens, and other medical items, this kidney tray is an essential component of any medical environment.
