

Bed Pan

Product Model : **Default Model No**

Category: Medical Equipment, Medical Rubber Goods,

Summary :

Bed Pans are essential hygiene products designed for patients who are bedridden or have limited mobility. Made from durable, easy-to-clean materials, they provide comfort and convenience for both patients and caregivers.

Available in various designs, including standard and fracture bed pans, these products are ideal for use in hospitals, clinics, and home care settings. Designed to ensure patient comfort and maintain hygiene, bed pans are a reliable solution for personal care needs in healthcare environments.
