

Xylo Refraction Chair

Product Model : **OPH-01**

Category: Ophthalmic Instruments, Refraction Chair,

Specification :

Features:

- GWS-OPH-01 gives a very high tech and contemporary look and feel to your examination room and boosts the user's confidence in the overall examination procedure to enhance his/her vision.
- It also builds a very strong authentic image in the user's mind which results in a long term bond and builds authentic feeling about your clinic/hospital.
- Pleasing finish of high-quality materials, great flexibility and ergonomic design at a fair price to serve more patients.
- The slim chair, crafted seat and back shape and the low adjustable sitting height helps in ease of getting up and sitting down for all age group patients.
- GWS-OPH-01 provides excellent treatment comfort for patients and surgeons.

ERGONOMICS DESIGN HELPS TO FOCUS ON VISION

- Capsule shaped recesses give extreme flexibility for head rest adjustment.

STITCH LESS INTEGRATED FOAM YOU CANNOT GET DIRTY

- New stain proof material can repel virtually most of the liquids to maintain hygienic conditions.
- New material can handle abuse and stains and keeps the chair like a new for a long time.
- New material makes it more slim, spacious and comfortable.
- It also helps in easy ingress and egress.
