

Bed Pan Female Perfection type, Seamless

Product Model : **HH-2.4**

Category: Medical Equipment, Stainless Steel Hospital Hollowware,

Summary :

Hospitals use bedpans as portable bathroom solutions for bedridden patients suffering from incontinence or other diseases that prevent them from using a normal bathroom. Bedpans can be used for urine or bowel movements, and are made in several shapes, sizes and materials. Our '**Perfection type regular Female Bedpan**' is a stainless-steel bed pan which is completely resistant to stains & cracks. The unique design of the pan makes it comfortable to use for patients at hospitals and home. It is available in two qualities: Regular, Deluxe; at most competitive prices.
