Taylor Brace

Model: RHA516

Categories: Medical Equipment, Rehabilitation Supports, Back Support

Summary

Introducing the Taylor brace – a long spinal brace that provides excellent orthopedic support. This belt is ideal for bulk manufacturers and exporters globally, supplying top-quality orthopedic support to satisfied customers worldwide. The GWS brand guarantees excellence in products and service, supplying you with a reliable supplier of high-quality spinal braces.

Description

Features: Vertical as well as hortizontal malleable aluminium stays to provide immobilization. Light weight splints with ethafoam cushioning improves comfort and patient compliance. Clavicle straps correct the shoulders posture while ensuring better fit. Double elastic panel allows easy application of the brace.

Application:

- Cox of spine.
- Osteoporosis.
